

2016-2017 Booster Membership

We invite you to join the Bailey Band Booster, an organization dedicated to supporting the Bailey Band. Through the course of the year we provide scholarship money for students, transportation for bands, professional dues for directors, and various other projects designed to support the success of the band program. In addition to

financial support, the Bailey Band Booster assists the band program by volunteering for various events - both on and off campus. We also work to keep parents informed of upcoming band events and special functions.

Joining Band Boosters is a great way to support your student's musical education. We offer 4 levels of membership starting at just \$30. The information you supply such as phone numbers and email addresses will not be shared with any other organization, but used strictly to supply you with information on the bands' activities and the Booster's volunteer opportunities. The Bailey Band Booster also maintains a website for your convenience – www.baileyband.org. You can find a complete list of our officers and their contact information on the "Band Booster" page as well as other helpful information.
