

Dear Band Parents,

Throughout the year, there is a great deal of information that must be communicated to band students and their parents. One of the functions of the Bailey Band Booster Club is to help our band directors get the word out about everything from special events to private lesson opportunities. In order to do this most effectively, the Boosters are hoping to collect contact information for every child participating in band.

There are lots of exciting things happening in Bailey Band this year, and we don't want anyone to miss out on the fun!

Please fill out the following form and return to the Band Hall.
